

# Day by Day

January the 7th

Dear diary being a princess it's not as easy as some people think it might be. Sometimes my father who is the king of the kingdom still thinks that I'm a little girl and we argue about it a lot. He says that I can't go out with friends like other teenagers. I must confess something to you , I used to sneak out a lot and nobody knew about it till the last time when one of my dad's good friends saw me and told him about it. My dad told me that we need to talk about it and he is going to do about it something , I really don't know what he is going to do.

January the 8th

Dear diary my father locked me in the tower. The tower is seven woods, seven seas and seven mountains far far away you know the usual. It's my first day here and I'm already really bored here. There's not much to do. The tower has one big window that I'm going to look out and wait for my prince to come and get me. The walls are blue I kind of like it , my bed is next to the window and on the other side there is one big closet.

January the 9th

Dear diary it's my second day in the tower and by now there were already 10 boys who thought that they can fight with the dragon and free me from being locked in the tower but they were all wrong so I'm still waiting. Also my birthday is in ten days I hope I won't spend it here in the tower.

January the 18th

Dear diary so tomorrow it is my birthday and guess what ?? I'm still in this tower !! I'm starting to think I will be here forever. Happy birthday to me.

March the 5th

Dear diary I'm so sorry that I didn't write to you in such a long time but I've got some really exciting news. First of all , I did spend my birthday in the tower which is sad but a few days later my prince came and took me away from it. Tomorrow it's our wedding and I'm looking forward to it and can't wait to see all my family and friends and I be queen of my kingdom. Isn't that exciting ???  
Wow :) it was worth waiting!!!
