

After a long time without getting out of my room, I decided to enter the chat room and speak up a little. There were many people like me or Normies. This chat is pretty cool, funny nicknames and stories. No one judges you here for who you are or your appearance. Anyway, let me find someone to talk, hmm. „Jimmy_Dapp24" Sounds weird to me, nope. "I_like_sushi76" I'm not really into sushi though, nah. "WabWab17" oh well, that's a pretty mysterious nickname. Let me check his or her profile account. I'm not some kind of stalker or something haha! No, no, no I'm just curious about it, okay so it's 'her' and her name is Alex. Nice name though, not as lame as mine- Ben. The stupidest name for the worst person on the planet. My parents knew what to do. Okay! Let's chat.

Beanie2: Hi

Ugh, why she's not responding geez, I am really a loser

Beanie2: You there? Haha

WabWab17: Yeah sorry, I was just busy for a sec. Hello btw

Wow, she really texted back!

Beanie2: No problem haha, so your name is Alex, right?

WabWab17: Uhm, yeah. So you checked it.

Dang it, does she think that it's weird?

Beanie2: Um, yeah I did. I would like to know who I'm talking with, tehe~

WabWab17: Right, what brings you here? Boredom?

Beanie2: Not really.

I think I can tell her, right? She's a good person, right?

Beanie2: I'm not going out of my room like for a week, many things happened and I'm just looking for someone who I can talk about it with.

WabWab17: A week?! Geez, what happened? I want to hear.

I can't tell if she cares or is she just a random girl who is curious about what happened and that's all. Too bad, I want to tell her anyway.

Beanie2: Let's start from the beginning...

It was a pretty cold day of March, I was going to school as usual. It's Monday, who would be happy on Monday morning? I decided to go straight way to school. Everything seemed normal as always. I was standing next to the window and I was staring at the world as always. I was thinking about what I'm going to do after school and stuff but accidentally a girl I've seen in the morning bumped into me and she dropped all her stuff.

-Oh Gawd, I'm sorry! Are you okay?

What? She is actually nice to me? What the heck?

- I'm alright, thanks. What about you? Let me help you.

I started picking up her books from the floor.

-Oh I'm fine! No, it's okay! I can handle this.

-Too late, here you are.

I gave her books back.

-Thank you, and sorry again.

She smiled the prettiest smile I've ever seen. She was pretty anyway, short and dark brown hair. Slim and tall, well build and she looked not as dumb as her friends.

-Really, no problem.

I responded with a cringe smile and I was getting nervous.

-So what's your name? I am Elizabeth. I hate my name so you can call me Ellie.

She smiled bright again.

-Nice to meet you Ellie, I'm Ben. I don't think your name is bad. It's original and beautiful.

She blushed a little. Elli was trying to fix her hair with fingers. It looked funny coz her hair were totally fine.

-Nice to meet you too... I was wondering, if you wouldlike to go somewhere after school?

What has just happened?!

-Oh yea,why not.

I was trying to not show her that I'm excited and happy but Inside I almost blew up!

-Okay then! So let's go to the skate park and then to a café!

-yeah,sure.

I was playing cold but I was still smiling to her. Why I didn't think that is weird? A strange girl invites me on a date?! At least I think I can call it a date.

-OK! See you after school "Beanie"!

-yeah, Cya!

"Beanie" ? The heck? I guess it's her nickname. I need to think of one for her too. I was going crazy in that school. I just wanted to go to the skate park. It seemed to me and that Ellie ends classes at the same time, good. When the last ring rang I was outside so fast! I don't live far from school so I went there to get some money and I left my backpack in my room. It was 3:35 pm I wanted to run to the skate park but I didn't want to get all in sweat. After a while, I was waiting for Ellie. Ellie appeared in like 10 minutes.

-Sorry! I didn't know what to wear haha!

Woah, she is really as nervous as I am.

- it's okay, so...what now?

I was looking only on her face so I didn't see two skateboards in her hands.

-silly question, we're going to skate!

She gave me smaller one.

-Here you are, skating on a smaller one is simpler.

-Thanks!

Dang, I never skated before. What if I do badly?

-C'mon, let's go!

After an hour I was skating like Tony Hawk, haha.

She taught me everything she could.

-I'm quite hungry and thirsty now.

-Right, let's go to the café.

We jumped on our boards and we went to the nearest café. The café was really nice, the walls were grey, the floor was white and all other things were black and red.

-Take a sit, please.

I smiled at her.

-Thank you, what should we order?

-You can order what you want, my pay.

She blushed a little and smiled at me. After 30 minutes we were eating a strawberry cake and drinking green tea. It was nice.

-So ,why you decided to invite me? We have never talked before.

She clearly got nervous.

-Oh, I just thought you could be an interesting person and so you are, and so you are handsome.

She was all red, so was I.

-Oh, Thank you! So tell me something about you.

She started to mess with her short hair again.

-Well, I love dancing, swimming, singing and playing computer games.

-Computer games?

-Yeah, I know. It's not girly stuff but I can't help it.

-No, it's actually pretty cool.

She seemed pretty much embarrassed so I asked:

-Should we play some games online together?

-Good idea! What about Drakensang? It's a really cool game where you have to cooperate with other players.

-Sounds interesting! I will download it on my computer when I get home. Can I have your phone number or your Skype name account?

-Sure!

She gave me the number and her Skype name. We were sitting there in one more hour and I ordered some more snacks and tea. It was getting late and dark.

-I think I should go now.

She said while checking the time on her phone.

-Yeah, me too.

We got out of the café and we were standing next to the doors.

-So, see you tomorrow! Thanks for today.

She smiled brightly and she hugged me.

-Oh, It's nothing. See you~

My heart was beating like crazy. She is really cute. I went back home. I went to my room and I turned on the computer. "Drakensang" she said? Alright let's add her on Skype first. After half an hour we were playing together and talking on Skype.

-Woah, Ellie. This game is crazy! Where did you find out about it?

-My brother showed me that game.

-Alright, let's do more tasks!

We were playing for 3 hours.

-Yo Beanie, I think I gotta go. Im tired and tomorrow is school.

-Oh right.

I want to play more.

-You should go too, it's getting really late

-okay, goodnight!

-Bye!

She disconnected. Of course I didn't go to sleep. I was exping all night, till 3 am. When I got to school I was like a zombie. After some classes I met Elli. I didn't tell her that I was playing till 3 am. So we were talking as always. She asked me about another meeting but I told her that I've got something important to do. Classes past really quickly, I went back home and I turned my computer on. Mom asked me if I was hungry but I didn't want to eat. I logged in and I started playing. Two hours past and then accidentally my power went out! I was so angry! I called Ellie.

-Hello!

-Hello, Beanie!

-would you like to go outside now?

-Sure, but didn't you have to do something important?

-I'm done so I want to go outside.

-Oh, okay then! Meet me at the skate park in half an hour.

-Alright, see you!

-Yo!

After 15 minutes I was there waiting for her. When she Ellie hugged me so I hugged her back.

-Hi!

-Waddup?

-Nothing much, my mom just got me new make up designs bla bla bla

Ugh, she is saying something but I can't focus on this! All I hear is "bla" All I can think of is my game! Oh I know, I'll try to talk about it.

-Hey, sorry for interrupting. Did you hear about this new event on Drakensang?

-That your exp is doubled? Yeah, I will play all evening! What about you? .

-Yeah, of course I will, wanna meet on Skype?

-Sure, at 7 pm?

-Okay, I'll be waiting then. She smiled and she gave me one of her skateboards.

-C'mon! Let's skate!

Now it's 7 pm. I'm waiting for her on Skype, I'm excited! When she appeared on Skype I decided to call her. We were playing and talking for another 4 hours! It's insane! Of course I wanted to play more than that. I was exping all night, till 4 am. Another week past just like two last days...

Ellie was trying to go out with me but I had many excuses but of course there was one reason- computer. I'm getting sick of my mom, teachers, homework and even Ellie. All I want to do is play my game, I decided to find some more games like that and I was playing on computer the whole week! Later when I tried to text Ellie on Skype I noticed that she blocked me. Everything started falling apart, I know it's bad but I'm not even trying to do anything about this. I'm a terrible person.

Beanie2000: And that's how the story goes...
