

The background of the entire page is a dark, horror-themed collage. It features several zombie faces with pale skin, sunken eyes, and bloody mouths. Some faces are in the foreground, looking directly at the viewer, while others are in the background. There are also zombie hands reaching out, some with blood on them. The overall color palette is dark, with shades of green, grey, and red, creating a chilling and terrifying atmosphere.

ZOMBIE IN REAL LIFE

MONDAY

I had breakfast. I usually have cornflakes with milk and a cup of coffee. So as I ate my cornflakes I turned my TV. I was scared because I saw zombies. **Yes ZOMBIES!** They attacked people around the world. One monster ate 4 kids in Berlin and group zombie also attacked The White House. WOW! Suddenly my friend - Pamela pinged and said **"Can you help me? Please, there's a thing that is eating me"**. I answered **"WHAT?! Come to me fast !"** I didn't really believe what I saw. Her leg was covered in blood. It was a nightmare. Zombie probably attacked my friend. She was exhausted because went with injured leg about 2 kilometers. Of course I medicated her wound. It was awfull. I saw a big bite. Then i knew it wasn't bitten by a dog. It was a cannibal. I didn't know the symptoms the bite. In „The Walking Dead” a person that was attacked by zombies had high fever, so I decided to investigate. Fortunately she didn't have fever. It was a load off my mind. Maybe it was a dog? I didn't know. Well I suggested my friend an afternoon coffe and a cake. She said **"I feel like something sweet"** „We put on our jackets and went to the town. The weather was very windy, what was strange because a moment ago it was sunny. It was very weird. Okey in a matter of minutes we were in a coffeehouse. I ordered my favorite latte. Pamela took cappuccino. Atmosphere was amazing. Suddenly Me with my friend heard shouting **"What the hell?!"** The monster attacked a cashier. It ate his legs. Zombie destroyed a place and killed most people .Of course me and Pamela ran away! So we were near my school, therefore we hid in the building. I was shocked because saw my friends from current class. Exactly Patricia, Daria, Matthew, Kamil and Chris. I asked **"So What are you doing guys?"** They answered **„We hid from the zombies. We are so happy that youre're safe"** I said **„Thanks,we must stay here if we want to life"**. The whole group agreed with my idea. We went close all the doors. It was late so, we went to sleep in the classroom. This was the horrific day. I thought **"It'll be better tommorow"**.

TUESDAY

Morning, I woke up and I didn't really believe what I saw. Pamela had a fever and she was very exhausted. Immediately I told my friend what happened yesterday. Chris suggested **"We had to kill her!"**. I answered **"No way!"** When we were arguing Pamela transmuted into a zombie. She attacked me, I was powerless, because she was my the best friend. Kamil and Matthew searched something that might help. The girls found a switch **"This is it !"** Pamela scratched me. Group tried take her. She was very strong. Patrycja attacked her with switch. My former friend.. dead. I couldn't say anything. I got up and went out to smoke. Daria tried cheer me, but.. it didn't help. The rest of the group searched some food because we didn't eat. In our school we had a big kitchen. Maybe we could find some food. When they are searching I came to the conclusion **"It isn't your fault, we need to survive!"** I joined my group. They were happy because I've been returned. Friends manages to find some food and water. There was hope. We also found a weapon. So we were ready to attack those monsters. Fortunately, the end of the day was calmly. The day before the girls and boys slept separately but today together. I thought **"Tomorrow may be better!"**

WEDNESDAY

4:00 Am. I had a high fever.. I was scared, yesterday Pamela and today me. I thought **"It's a nightmare! I can't transmute!"** I woke up and went out. I had to cool down. A moment later, Patrycja woke up and followed me. Of course I didn't know that because I was listening to music. 5 minutes later she jumped on me. I told **"You scared me !"**. She began to laugh. **"Sorry but I had to do it! What's happening? And please tell me the truth. ,,,** As usual she knew that something was wrong. I said **"Okey, but please promise me you'll never tell."** She agreed. It was very hard, but she promised, and I showed her scratch. My friend didn't really believe. Immediately i said **"When you were searching a weapon, she attacked me and you already know, but I control this. Maybe Pamela was too weak to keep such power."** Patricia remained silent. She said **"I just wish it was a stupid dream."** I understood her. I could attacked anytime. Suddenly I felt exhausted **„This scratch it's hurting me so much** "Patricia started to panic and called to all. The rest of group woke up and asked **"What's happening? It is only 6 Am.. "** Good.. she broke her promises. I was scared because i didn't know how to react. Chris saw my

scratch and said **"How it happen?"** I answered **"Pamela attacked me, but could control it."** Kamil bandaged injury. Immediately I felt better. Unfortunately the rest of the group didn't trust me. Except Chris and Matthew. This two was hostile. I feared their. They went to conference. Of course without me. When they were discussed the matter, my eyes become gray. Naturally I had brown eyes. Also I felt stronger and faster. In short: indestructible. In the meantime my friends decided to watch over me. Unfortunately I slowly lost control the powers. My body was also shaking I wanted to destroy something. When Kamil saw me, he took weapon. He was about to attacked but Chris restrained him. Matthew was shocked because he knew what Chirs thought about zombies. Chris said **"She is with us, I trust her."** After these words.. I was reassured and I said to him **"Thanks Chris"**. Friends were happy. When we spoken I heard noise. The noise came out of the headmistresss room. We checked it. It was the old mistersss. She attacked girls. It was an opportunity to try out power. I quickly ran and hit her head against the wall. I could tell, the rest of the monsters. Kamil took the fire extinguisher and destroyed her head. We were shocked because she was our headmistersss. Nobody didn't like her but.. she was human. I felt the pain. Group didn't know what a feeling. I understood both humans and zombie. Daria saw me and asked **"How is it.. ? You are a human with special power"** Group joined to the question her. Without thinking I told **"It is very hard, of course this new power is cool but, I feel like a zombie,I feel empty."** They were surprised **"What? How empty?"** I answered **"You know.. Emonionless"**. So, I can protect them. Thanks this event day came to an end. It passed quickly. For safety I went sleep to another room. The eest of the group slept together. A summary of the day? **"I hate to be half human and half zombie. "**

THURSDAY

Fourth day. We had a big problem. Each of us ate something. Unfortunnnately our food was exhausted .We searched school but nothing found. Without food,water. We wouldn't survived. Group asked me **"Can you go out and find some food?"** I was shocked because this request is very dangerous but I couldn't refuse. They were my friends.. Each one was unique in its own way. I answered **"Yeah sure.."** I saw their joy. It was most important for me. I had to prepare mentally. When I wore jacket, Patricia with Daria come to me and said **"If you don't want do, don't do it."** Sincerely? It was a suprise. I answered **"Thanks girls, but I must do it.. without food and water, you can die."** After these words I went out. My town

looked awful – everywhere zombies. I thought “ **Maybe in the shop I’ll find some food and water**”. The closest was Sano. I walked slowly because didn’t want to expose my “brothers” . 30 minutes later I got to the shop. All the staff die. It was very terrible. Fortunately I found a lot of food and water. I started to pack all in the bag. When I took the food I saw the hidden secret door. “**Who would have thought?**” I decided to check it out. WOW.. so many guns ! Immediately I took as much as I could. It was 1Pm. I had to go back. My group counted on me. I thought “ **There isn’t time to lose !**” and I started run. I was in school again. My friends were very happy. When Chris saw the guns.. he hugged me. I was very embarrassed because I liked him. Very much. Kamil and Matthew charged our guns. Boys started to train shooting. I said “**Guys stop.. Noise attracts monsters!**” They destroyed the door to the server. The Girls with Chris told “ **Thanks idiots.. Now zombie will kill us!**” They started panic.. When friends were agrueding I saw a tunnel. WOW “**thanks for them! We find a tunnel! Guys.. We can try run to away**” Matthew with Kamil told “**You’re welcome** “ But it was too late because we it was night already. A summary of the day ? “ **Thanks for Matthew and Kamil, Tomorrow go down in history**”

FRIDAY

Day of escape. In the morning we came throught the tunnel in front of the school. 5 minutes later, we suddenly saw tiny light, “**What’s happening!? Do you see light ..? It is getting stronger !!**”

<RINGING ALARM CLOCK>

REALLY WAS IT A DREAM?! I have to tell the school! It was very realistic, too realistic.
